PROFESSIONAL SUMMARY

Passionate Frontend Developer with experience in creating intuitive, user-friendly digital experiences. Proficient in React, JavaScript, and UI/UX principles. Adept at designing and implementing scalable solutions that align with business goals. Looking forward to leveraging my technical skills and design expertise.

TECHNICAL SKILLS

- **Frontend Development:** React, JavaScript, HTML, CSS, Angular (Basic)
- **UI/UX Design:** Figma, Sketch, Adobe InDesign
- **Software Development:** Modular JavaScript, Design Systems, APIs
- **Other Tools:** Git, Agile Development, User Research, Wireframing & Prototyping

WORK EXPERIENCE

UI/UX Designer & Frontend Developer Intern Dev and Design

August 2024 – Feb 2025

- Designed and developed user-friendly web applications, enhancing user engagement.
- Designed and implement responsive UI components.
- Conducted user research and testing to improve design iterations.
- Designed and implemented components for a **design system**, improving scalability and consistency.
- Created a **calculator app** with an intuitive user interface and efficient functionality.

Freelance UI/UX Designer & Frontend Developer

June 2023 – August 2024

- Led the creative aspect of a retro-themed UI/UX project from conceptualization to execution.
- Designed landing pages for businesses, improving lead generation and user satisfaction.
- Developed and implemented a Library Book Management System using React.

PROJECTS

Portfolio Website

- Developed a personal portfolio website using HTML, CSS, JavaScript and React to showcase my projects and skills.
- Implemented responsive design to ensure compatibility across various devices and screen sizes.
- *Utilized:* HTML, CSS, JavaScript, React, Git

Axon UI – UI Design Library (Still in Progress)

- Designed Form components using Figma.
- Building reusable form components using React and npm.

Akori Knowledge Hub – Dashboard Redesign

- Focused on improving usability and visual appeal for a Web3 crypto company.

MeetUp Landing Page

- Designed and Implemented a high-converting landing page.
